

A Joyous Evening: Book Launch for “This Joyous Soul: A New Voice for Ancient Yearnings”

Join us for the Israel launch and celebration for poet/liturgist Alden Solovy’s newest book from CCAR Press, “This Joyous Soul: A New Voice for Ancient Yearnings,” featuring readings from the book and a broad-ranging discussion between Alden and Pardes President Leon Morris on creative liturgy, text study and prayer. We’ll be welcomed by Rabbi Hara Person, incoming CEO of the Central Conference of American Rabbis, who worked with Alden to create two volumes of new liturgy. Both “This Joyous Soul: A New Voice for Ancient Yearnings” and “This Grateful Heart: Psalms and Prayers for a New Day” will be available for purchase by cash only.
